PRESS RELEASE

MEASAT Recognized as One of Malaysia's Best Employers

KUALA LUMPUR, 22 August 2014 – MEASAT Satellite Systems Sdn. Bhd. ("MEASAT") announced today that the company had been recognized by the HR Asia Magazine as one of "Malaysia's Best Employers, 2014".

"It's a great honour for MEASAT to be recognized by the HR Asia Magazine as one of Malaysia's best employers," said Paul Brown-Kenyon, Chief Executive Officer, MEASAT. "This award is testament to the continuous efforts made by our employees to inspire each other to live by our core values and jointly create a positive work environment."

The HR Asia Magazine award is decided by a Selection Committee comprising an independent panel of industry experts based on the HR Asia Employee Input Survey Report and the HR Asia Workplace and Employee Engagement Survey.

About MEASAT

MEASAT is a premium supplier of satellite communication services to leading international broadcasters, Direct-To-Home (DTH) platforms and telecom operators. With capacity across five (5) communication satellites, the company provides satellite services to over 150 countries representing 80% of the world's population across Asia, Middle East, Africa, Europe and Australia.

The MEASAT fleet includes the state-of-the-art MEASAT-3 and MEASAT-3a satellites at 91.5°E supporting Asia's premium DTH and video distribution neighborhood; MEASAT-2 at 148.0°E; and, MEASAT-5 at 119.5°E. In Africa, the AFRICASAT-1a satellite at 46.0°E provides satellite capacity across the African continent with connectivity to Europe, the Middle East and South East Asia. The MEASAT fleet will be further strengthened with the addition of MEASAT-3b in September 2014 and MEASAT-3c in H2 2015.

Leveraging facilities at the MEASAT Teleport and Broadcast Centre, and working with a select group of world-class partners, MEASAT also provides a complete range of broadcast and telecommunications solutions. Services include 3D, high definition and standard definition video playout, video turnaround, co-location, uplinking, broadband and IP termination services.
